### **Event Description**

The Westwood Chile Fest (WFC) is a one-day event in the Westwood neighborhood located in Southwest Denver, that celebrates Hispanic-centric cultures, making up 80% of this Denver neighborhood, with a strong focus on authentic food and the arts.

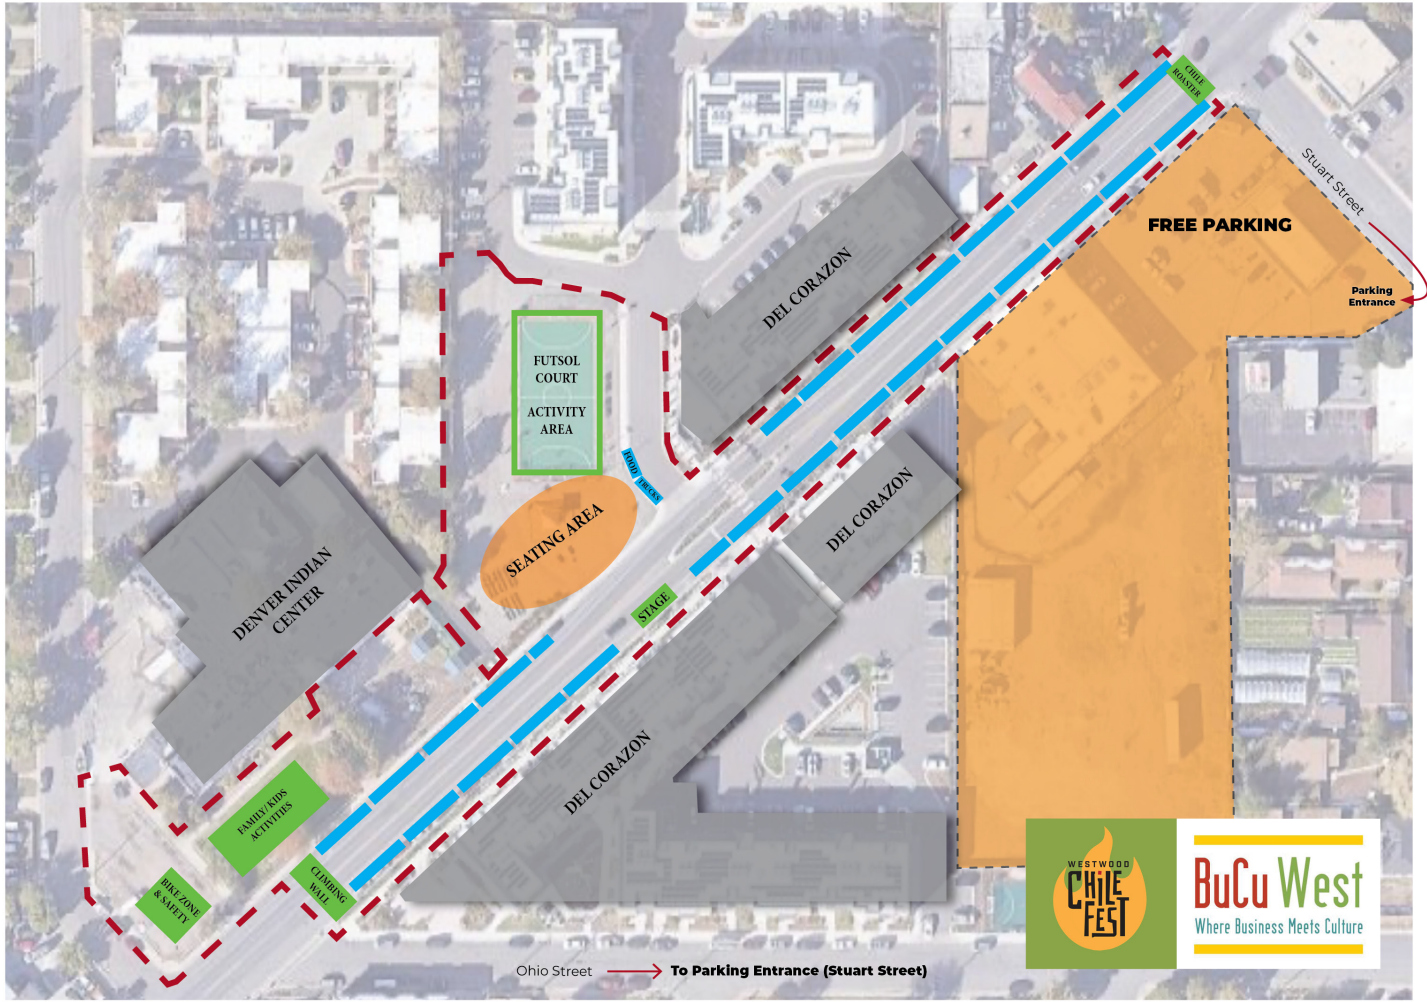

Free and open to the public, this celebratory event takes place along the Morrison Road Corridor, an area rich with makers, entrepreneurs, and artisans. The Westwood Chile Fest is an event that brings diverse communities together with local food, art, music, and dance.

Westwood Chile Fest is produced by BuCu West Development Association and benefits the businesses, organizations, and neighborhood participants by collectively marketing and demonstrating a collaborative effort in celebrating culture, a walkable built environment, and community gathering space. The Westwood neighborhood has built momentum over the years in advocating for a linear marketplace along Morrison Road that celebrates culture, local businesses and is pedestrian-friendly. By closing Morrison Road to vehicles and combining a uniquely Westwood mix of vendors and entertainers all of Denver can share in this local vision.
